

BHAVADHARINI M

bhavadharinim2500@gmail.com | [LinkedIn](#) | [GitHub](#) | [LeetCode](#) | [GeeksForGeeks](#)

I am a passionate software developer with a strong interest in coding and creating innovative solutions. I enjoy working on both backend and frontend technologies, and I am constantly learning new tools and programming languages to improve my skills. I am excited about contributing to impactful projects and continuously honing my abilities in software development.

EDUCATION

VSB Engineering College

Bachelor of Technology in Computer Science and Business Systems
CGPA: 8.9

Bharani Vidyalaya Senior Secondary School

Higher Secondary Education
Percentage: 81%

Course works

Completed courses in Database Management Systems (DBMS), Java Programming, HTML, CSS.

TECHNICAL SKILLS

- **Programming Languages:** Java, Python
- **Web Development:** HTML, CSS, Thymeleaf
- **Tools & Frameworks:** Spring Boot, Git, Spring Tool Suite, VS code.

PROJECTS

Restaurant website: Created a static restaurant website during my internship at DSI tech which gave me the chance to improve my skills in the web development tools like Html, CSS, JS.

Care and Cure hospital app: Aimed at hospital management, featuring efficient record tracking and patient services. I worked on the backend using Java 17, MySQL 8, Spring Boot, while the frontend was developed using Thymeleaf.

EXPERIENCE

Web development intern

DSI Tech solutions, Trichy.

Java Stack Development Intern

Infosys Springboard internship-5.0 program.

ACTIVE PARTICIPATION

Smart India hackathon-2023,2024

- Participated in the Smart India Hackathon, where I was selected in the top 25 teams at the college level, showcasing my problem-solving skills and innovative thinking on the project “Development of geolocation-based attendance tracking mobile application”.

Rajya Puraskar Award – Bharat Scouts & Guides

- Awarded by the Governor for excellence in leadership, teamwork, and community service.
- Completed rigorous training, social service, and skill-based activities.

CERTIFICATIONS

- NPTEL Certification in Programming in Java (Elite + Silver Badge)
- Java Foundation Certification

SOFT SKILLS

- Problem-Solving & Analytical Thinking
- Team Collaboration
- Adaptability & Quick Learning
